Positive features of the lesson:

The lesson was well planned and generally well delivered. The teacher established good rapport and created a positive learning environment. Selected examples, usage of realias and smart board were helpful to make the lesson good and purposeful.

Points to work on for the next lesson:

- Improve time management.
- Simplify the lesson by reducing content of the lesson and devide into small parts.
- Increase students talking time and active participation
- Ensure that the final stages of the lesson are not rushed due to insufficient time.

Overall comment:
The lesson was generally effective, and well prepared but time management needs improvement. Overall a good lesson.
